

# MAN LOOKS ON THE OUTSIDE

Nigel Hemming

**E**                      **A**                      **B**                      **D**                      **A**  
*Man looks on the outside but God looks (clap clap) on the heart*

**E**                      **A**                      **B**                      **D**                      **E**  
*Man looks on the outside but God looks (clap clap) on the heart*

**E**                      **A**                      **B**                      **D**                      **A**  
*Man looks on the outside but God looks (clap clap) on the heart*

**E**                      **A**                      **B**                      **D**                      **E**  
*Man looks on the outside but God looks (clap clap) on the heart*

**A**                      **E**  
You might think You're strong and tall

**B**                      **E**  
Or You might think You're weak and small

**A**                      **E**  
It makes no diff'rence anyway

**F#**                      **B A E/G# B7/F#**  
'Cuz this is what the Bible says

**A**                      **E**  
So if you're scared you can't go on

**B**                      **E**  
As God to come and make you strong

**A**                      **E**  
It doesn't matter how you feel

**F#**                      **B A E/G# B7/F#**  
It's what's inside that counts for real
