ALL THAT I NEED

```
E              Esus2/D♯       C♯m7                    Asus2
If I flew on morning's wings or sailed across oceans so deep

E              Esus2/D♯       C♯m7                         Asus2
You would still be by my side for you've promised never to leave

      Badd4                   C2
Every mountain I face, every step of this race

      D                  Bsus4              B
I have nothing to fear, for Jesus you are here
```

```
      E                    E/G♯
All that I need to know for tomorrow

   F♯m7                 C♯m7          B
All that I need to know for today

   E                    E/G♯
Is that you'll be with me each moment

   F♯m7                      A        Bsus4         E
Holding me close to you every step of the way
```
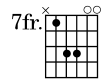

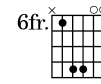

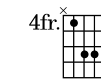

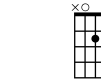

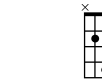

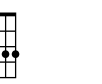

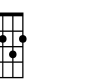

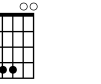

```
E              Esus2/D♯       C♯m7                        Asus2
You're the shepherd of my soul who faithfully guards and protects

E                     Esus2/D♯  C♯m7                    Asus2
Your word lights the way ahead lovingly guiding my steps

      Badd4                   C2
Every mountain I face, every step of this race

      D                  Bsus4              B
I have nothing to fear, for Jesus you are here
