

FIND A WAY (TO GIVE YOU PRAISE)

Mark Depledge

E C#m E C#m B
If it's sunny, if it's rainy, if it's snowing, if it's hazy

E C#m E
If it's boiling, if it's freezing, if I'm soaking

C#m B
It doesn't really matter

A C#m B A B
'Cos I'll always find a way to give You praise

E C#m E C#m B
If I'm happy, if I'm smiling, if I'm laughing, feel like dancing

E C#m E C#m B
If I'm so sad, if I'm crying, if I'm moody it doesn't really matter

A C#m B A
'Cos I'll always find a way to give You praise

C#m B
You are God and I have to say

F#m
There's no-one bigger, no-one better

E/G#
No-one stronger, no-one wiser

F#m
None more gentle, none more loving

E/G#
None more caring, none more kind

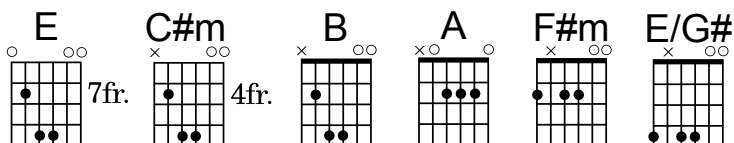

A C#m B A E
I'll always find a way to give You praise, give You praise

If I'm working, if I'm at school, if it's boring, feel like snoring

If I'm at home, watching TV, if I'm playing it doesn't really matter

'Cos I'll always find a way to give You praise

You are God and I have to say
