

I NEED YOU MORE

MARC JAMES

♩ = 126

I give my everything to You
You are the source of all that's pure
And from the darkness of my night
I'm calling out to You

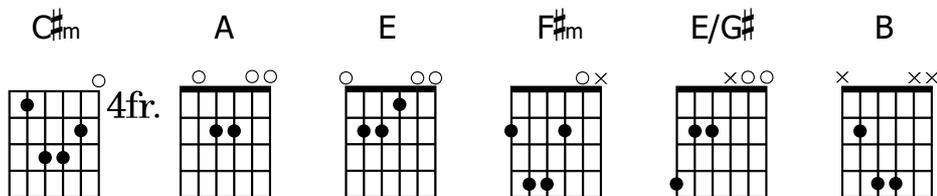

'Cuz with a word You raise the dead
(And) With Your voice You calm the storm
From the darkness of my night
I'm calling out to You

Oh, Jesus my Lord
I need You more
More than the morning needs the sun
More than a child
Needs it's mother's love [repeat]

You brought healing to the lame
And You received the sinful man
And from the darkness of my night
I'm calling out to You

Come and take me as I am
Make me righteous, make me Yours
From the darkness of my night
I'm calling out to You

I lift my eyes up to Your throne
('Cuz) Only You can set me free
And from the darkness of my night
I'm calling out to You
