

JESUS CHANGES EVERYTHING

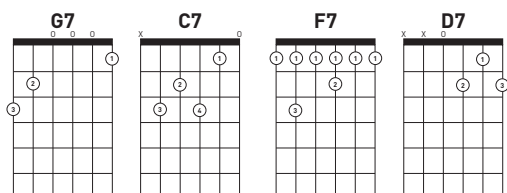

NIGEL HEMMING

G7 C7
Blind man begging on the street, crowds of people walking by,
G7 C7
Been like that for years and years, 'till Jesus came and touched his eyes.
G7 C7
How the people stopped and stared now that he could see again,
G7 C7
Couldn't wait to tell his friends that Jesus changes everything.
F7 C7 G7 F7 C7 G7
Woah, Jesus changes everything, woah, Jesus changes everything.

Little girl is nearly dead, parents tried to help in vain,
Standing quietly round her bed, Jesus comes but it's too late!
He takes the young girl by the hand, brings her back to life again,
She can't wait to tell her friends that Jesus changes everything.
Woah, Jesus changes everything, woah, Jesus changes everything,

D7 G7
He turned the water into wine, multiplied the fish and bread,
D7 G7
Cast out demons, calmed the storm, rescued people from the dead.
D7 G7
He healed the sick and cured the lame, showed God's love to all who came,
D7 C7 (G7 C7) x4
Told His friends to do the same, Jesus changes everything.
F7 C7 G7 F7 C7 G7
Woah, Jesus changes everything, Woah, Jesus changes everything x2

When your life is in a mess, when you don't know what to do,
When you're low and feeling stressed and no-one seems to care for you,
Call on Jesus' holy name, know the peace that He can bring,
You will never be the same, Jesus changes everything.
