

JUBILEE

Nigel Briggs: lyrics
Trent: music

G
There's a new day dawning now
C/G
And a new song singing out
G
A river deep and wide
C/G
His love is all around
Em
His love is all around
C
God is all around

G
It's a time of jubilee
C/G
Young and old set free
G
And blind eyes now can see
C/G
God is on the move
Em
God is on the move
C
His love is on the move

G **C**
It is time to live the life
Em **Bm7** **C**
For God's Church to shine for Christ
C **G** **D/F#** **Em**
Tell the world of love beyond this flesh and blood
C **Am7** **G**
Oh it's time to live the life

G **C/G**
Ooooh oh, oh oh ooooh (repeat)

G
(So) Open up the windows of Heaven
C
Let Your love shine through 'til the world knows You (twice)
