

KEEP ME WHERE THE LIGHT IS

Nigel Briggs: lyrics
Trent: music

6/8 timing

F#

I have walked through the valley

G#m

Stood on the mountain top

B

I have held on to You

F#

As my treasure, my truth and my rock

F#

I have sung with the angels

G#m

And heard You speak into my heart

B

I'm giving myself to become

F#

More like You are

F#

So keep me where the light is

G#m

I want to be where You are

B

F#

Want to live for my life to find its place in Your heart

I have walked through the valley

Stood on the mountain top

I have held on to You

As my treasure, my truth and my rock

I confess there are times

When I stray from the line

But I want to be true and lay everything down

'Cause what do I have in this world

If I don't have You

KEEP ME WHERE THE LIGHT IS
