

NOW AND EVER

Nigel Briggs: lyrics
Trent: music

A F#m
This is our song that Jesus is alive
E
In a world that's losing ground
D
He is the lifeline
A F#m
He is our hope, for now and ever
E
The Son who never dies
D
No greater love in life

A E
Jesus is alive today
D
See His saving grace
A
Now and ever
A E
Jesus opened up the way
D
With truth will never fades
A
He'll reign forever

F#m
Came to earth to be with us
E
Conquered death upon a cross
D
Son of God, the Risen One
A
Now and ever
F#m
Opened eyes and hearts set free
E
Showed the world its destiny
D
Jesus Christ, the living King
A
You're now and ever
