

PERFECT SACRIFICE

Nigel Briggs: lyrics
Trent: music

G D/F#
Life could take, take every dream away
C
You'd still be my risen one
G
The place where my hope comes from
G D/F#
Life could break, You'd still be my saving grace
C
My Promise of all to come
G
The place where my hope comes from

G D/F#
I've been chosen by Your hand
C
Through forgiveness called Your friend
G
Now You're here with me
G D/F#
Loosed my chains and took my shame
C G
On the cross You bore my pain; Jesus died for me

It's a gift we don't deserve
A treasure we can not earn
You paid the price
Now a life that offers more
A cross that's said it all
A perfect sacrifice

G (alt. chord Em) D/F#
All my hope is in You
C
My treasure and my truth
G
My hope is in You
