

TINY LITTLE ME

NIGEL & JO HEMMING

G G7 C Cm
Have you ever wondered how the God who made the universe,
G Em A D7
And all the plants and creatures that you have ever seen,
G G7 C A7
The planets, stars, the moon and sun, is watching over everyone,
Dsus D G
And still has time for tiny little me.

G G7 C Cm
My God made crocodiles and antelopes, jellyfish and billy goats,
G Em A D7
Elephants and spiders and buffaloes and bees,
G G7 C A7
Rattlesnakes and porcupines and ladybirds and butterflies,
Dsus D G
And still has time for tiny little me.

G G7 C Cm
My God made deserts dry and mountains tall, jungle vines and waterfalls,
G Em A D7
All kinds of places where I have never been,
G G7 C A7
Forests green and oceans wide, the wind and rain, the sea and sky,
Dsus D G
And still has time for tiny little me.

And He knows how I feel every night, every day,

And he's known all about me since before the day that I was made.

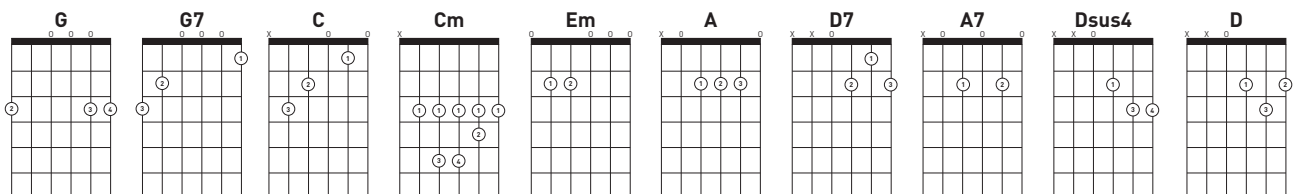

G G7
My God made mums and dads and great grandmothers,

C Cm
Aunties, uncles and stepbrothers,

G Em A D7
All the different people who are in my family,

G G7 C A7
Grandads, sisters, babies too and second cousins twice removed,

Dsus D G
And still has time for tiny little me.
