

He Is

Dan Wheeldon

Em7 **D** **Em7**

Who can stand before Him

D **G**

And deny His majesty

D **G**

Majesty

Em7 **D** **Em7**

The gates of heaven opened

D **G**

When He sent His Son for me

D **G**

He died for me

C **D** **C** **D**

He is, He is

Em **D** **Em**

The song on my lips

C **D** **C** **D**

He is, He is

Em **D** **Em**

The one who makes me live

D **C**

Oh...this must be love

We have but tasted freedom

We know there's so much more to come

His will be done

When those in darkness see His

Awesome light unfading sun

Unfailing one
