

# Risen Lord Jesus

Henry Cross

G Em  
In the darkest hour since the world began  
You were crucified, bore the weight of sin

G Em  
For the darkest life, for Your enemies You died  
Man of sorrows, the perfect sacrifice

C D Em D C  
The grave it holds no victory  
D Em  
Death it has no sting  
C D Em D C  
For You lived and died, now glorified  
D C D  
All hail the King of kings

G  
Risen Lord Jesus  
D  
You are my saviour  
Em C  
Cos You stepped in and took my sin from me  
G  
Death couldn't hold You  
D  
Hell couldn't stop You  
Em C  
You're risen now and reigning in glory

G Em  
See the blood red scars see his mortal frame  
Weak as a man His tears like rain  
G Em  
See His blood run down and the Father turn away  
As He screams out, that it is finished
