

The Road

Samuel Lane

G **Bm** **Em**

It's a long, and narrow road, I'm on my way
With Your blood, for my soul, I'll be okay
Hold me close, and keep me sure, that I won't fall
To do Your will, and to be pure, I hear the call

C **G** **D**

Lead me on Your path Lord, lead me home
Guide me through the valley, the narrow road
Only You can save me, You broke the fall
Your spirit like a fire, to my soul
It's a long, and broken road, that leads to life
The rain will come, the cold wind blow, I'll be alright
So I will rise, for there is hope, in the risen Son
To Your light, and to Your home, You lead me on

G **Bm**

For your fire, for your soul
