

# Going On A Journey

Stephanie Reynolds

Key of G

**G** **C** **G**  
I'm going on a journey down a narrow bumpy road

**G** **D**  
Going on a journey so that I can learn and grow

**G** **G7** **C** **Cm**  
Reaching far and wide, an adventure I will find

**G/D** **D** **G**  
And it's so great, having Jesus by my side

**G** **G7**  
I'll be stretched so tall

**C** **G**  
I might wobble but I won't fall

**G** **Em** **A7** **D7**  
In circles, up and down and round the bend

**G** **G7**  
Step by step, not much longer

**C** **Cm**  
For I know I'm getting stronger

**G** **D** **G**  
And it's so great having Jesus as my friend

**G** **C** **G**  
I'm going on a journey and I'm heading outward bound

**G** **D**  
Going on a journey over new and shaky ground

**G** **G7** **C** **Cm**  
Not on sinking sand but on solid rock I'll stand

**G** **D** **G**  
And it's so great having Jesus hold my hand

**G** **C** **G**  
I'm going on a journey to discover and explore

**G** **D**  
Going on a journey cos it's fun to see some more

**G** **G7** **C** **Cm**  
Such an awesome sight, when I reach the highest height

**G** **D** **G**  
And it's so great having Jesus in my life
