

O Great Light

Daniel Wheeldon, John Barnett

Key: C / 125bpm

F C F C
You've undone the grave, and beat my sin

G F C
That I might know the life You give

F C F C
You've called me in to know the God

G F C
That flung the stars, and yet holds my heart

F C F C
Oh Great Light come, shine Your great love

G F C
Let it soak to the depths of me and rule my heart

F C F C
And till the day when my time's up

G F C
Oh Jesus come, shine Your great love

G F C F C
Come wake me up, come stir my soul

G F C F C
Come move and breathe, and make me whole

F C F C
Now I am Yours, my heart's content

G F C
Forsaking all to be Your friend

F C F C
So let me love the things You love

G F C
And walk in faith, and not give up
