

Take Heart

Andy Hatherly, Dave Miller

Bm **D** **G**
No matter how deep the darkness that we face
Bm **D** **G**
However hard it is to run this race
Bm **D** **G**
Whatever the battles that come our way
Bm **D** **A**
We believe You are stronger

Bm **D**
Take heart, have courage
A **G**
It's what you've called us to
Bm **D**
We'll take heart, have courage
A **G**
Our eyes are fixed on You

You never promised that it wouldn't be hard
You never promised that we wouldn't have scars
Come way may we will still take heart
We believe You are stronger

Bm
Be bold, strong, courageous for God You are with us
G **Em**
Be bold, strong, courageous for You have overcome
Bm
Be bold, strong, courageous for Jesus is in us
G **Em (A last time)**
Be bold, strong, courageous for Jesus you've won
